Motion made and carried to recess until 8 o'clock the following night.

Meeting was called to order at 8 p.m. by the Moderator, Leonard Sanborn. In the absence of the Town Clerk, due to illness, Bettie C. Ouelette was nominated and elected Town Clerk, pro tempore. The Moderator administered the oath of office to Mrs. Ouellette.

Prayer was offered by Rev. Robert C. Robb. The Moderator read the results of the ballot on Tuesday and introduced each person who was elected, as well as the Board of Selectmen.

Article 2. A motion was made that the Town raise and appropriate \$263,465.21 to defray town charges for the ensuing year. An amendment was made and passed that \$7,000.00 be taken from the Surplus account and reduce the amount to be raised by taxes by \$7,000.00 Voted that the Town raise and appropriate \$256,465.21 to defray Town charges for the ensuing year.

Article 3. A motion was made and passed that the Town authorize the Selectmen and Town Treasurer to borrow sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.

Article 4. A motion was made and passed to raise and appropriate the sum of \$422.36 and the State will

contribute \$2,815.76 for the Class V. Highways under the provisions of the T.R.A.

Article 5. A motion was made and passed to raise \$500. to blast boulders and remove corners on the North Danville Road.

Article 6. A motion was made and passed to amend Article I of an Ordinance for the protection and direction of the use of buildings, structures and land in the Town of Kingston, New Hampshire, adopted at the Annual Town Meeting of March 8, 1955, and as amended by striking out said article and inserting the following:

This Ordinance is established and governed by laws of the State of New Hampshire, Chapter 31, sections 60-89, New Hampshire Revised Statutes Annotated, 1955, and Chapter 156, Sections 1-5, New Hampshire Revised Statutes annotated, 1955, as amended by Chapter 205 and Chapter 215, Laws of New Hampshire 1959.

Under this Article, an amendment was made and **not** passed that the article concerning the Ordinance should be voted on by ballot. The Moderator ruled that he had checked this with the Town Counsel and found that it was not necessary unless it was the will of the people at the meeting. It was also pointed out that no Town Meeting can control a future meeting on this matter.

Article 7. The Moderator announced that this three part article would be considered separately first.

The Town voted to amend Article III of an Ordinance for the protection and direction of the use of buildings, structures, and land in the Town of Kingston, New Hampshire, Adopted at the Annual Town Meeting of March 8, 1955, and as amended, in the following manner:

Section A — Voted to have this Section now read as follows: No buildings to be used as a dwelling or for commercial purposes shall be erected or moved into the Town without a permit, to be issued by the Board of Selectmen. After issuance

of the permit, construction must be commenced within six (6) months and be substantially completed within two (2) years, except that the Board may extend the time of completion upon application.

Section B-4 — Voted to have this Section now read as follows: Septic tanks, cesspools, privies or sewage disposal areas shall be placed not less than 100 feet from any existing water supply or public water body.

Section B-5 — A motion was made and passed (description follows) to have this section read as follows: Every dwelling unit to be used by a single family shall have a minimum living area of 600 square feet. A long discussion on this part took place and an amendment was made that this should not apply to Mobile Homes. The Yes and No voice vote was uncertain; so the Moderator appointed the following tellers to count the hands: Irving Johnson, David Gould, Conrad Magnusson and Lawrence Stevens. The result of the first show of hands was 66 yes and 63 no, but the Moderator did not announce this vote as he stated that he was not certain it was correct. The second show of hands resulted in a tie 71 yes and 71 no, whereupon a motion was made and passed that the vote be by secret ballot and check list. The result of this secret ballot were 77 yes and 79 no; therefore, the amendment was declared lost by the Moderator.

Then a motion was made and passed that the entire Article 7 be adopted.

Article 8. A motion was made and passed to consolidate all income from Greenwood Cemetery with the other four cemeteries into one Trust Fund which is to be invested. All interest, dividends and deposits and other available money along with Town Budget appro-

priation to be deposited into the checking account and used for general maintenance.

Article 9. A motion was made and passed to change the provisions for a Finance Committee voted in 1932 authorizing the Moderator to appoint the members of the Finance Committee of the Town of Kingston. This committee in the future to be made up of 12 members: 4 to be appointed at each annual Town Meeting for a term of three years, to assist the Selectmen in preparing the Town Budget; and repealed a vote of 1933 "that the Town Treasurer and Town Clerk sit in with the Finance Committee next year and each year thereafter but have no vote."

Article 10. A motion was made and passed to raise the sum of \$390. to buy a new two-way radio on the Police Radio Sheriffs Band. This is to be the property of the Town.

Article 11. A motion was made and passed that this article, relative to authorizing the Selectmen to appoint the Police Chief and Police Officers, be passed over.

Article 12. A motion was made and passed that the Town raise and appropriate the sum of \$200. and authorize the Selectmen to expend this amount to be used in development of a playground.

The original motion had the words "on the Town Common", but an amendment was made and passed to delete these words; therefore, the correct wording as passed is printed above.

Article 13. A motion was made and **not** passed that this article relative to an Ordinance for the protection and direction of the use of land in the Town of Kingston, New Hampshire, be postponed for one (1) year.

After a long discussion, a motion was made and passed that the entire Article 13 be adopted as printed. This was a voice vote.

Previously, a motion was made and **not** passed that the Article be taken up as separate items. Also, a motion

was made and **not** passed that Article IIA be changed from 200 feet frontage to 150 feet, and minimum area of 40,000 square feet be changed to 22,500 square feet.

Following items are those actually passed under this Article 13:

Article I

This Ordinance is established and governed by the laws of the State of New Hampshire, Chapter 31, Sections 60-89, New Hampshire Revised Statutes Annotated, 1955, to promote the health, safety, morals, convenience and general welfare of the Town of Kingston.

Article II

- A. Every building lot shall have a minimum frontage of 200 feet and shall contain a minimum area of 40,000 square feet.
- B. Every building shall set back from front property line a minimum of twenty (20) feet. No building shall be located within twenty (20) feet of property lines (side or rear).
- C. Every building lot shall have not more than one dwelling thereon.

Article III

It shall be unlawful to park any occupied mobile home or house trailer within the limits of the Town of Kingston for more than three (3) days without first obtaining a permit from the Board of Selectmen. This permit is to be issued for ninety (90) days and not renewable. No more than one mobile home or house trailer shall be parked on a building lot.

Article IV

The Selectmen shall appoint a Board of Adjustment of five members, one of whom may be a member of the Planning Board, said Board of Adjustment to serve without compensation. The Board of Adjustment shall have authority to allow slight variances from the speci-

fic terms of this Ordinance where it can be shown that extreme hardship would otherwise result.

Article V

This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting.

Article VI

This Ordinance does not affect in any way any dwellings, buildings, mobile homes or house trailers, or recorded lots that are legally existing or legally under construction at the time of its passage.

Article VII

Every person, persons, firm or corporation violating any of the provisions of this Ordinance, upon conviction shall be fined not more than ten dollars (10.00) for each day such violation may exist.

Article VIII

The invalidity of any provisions of this Ordinance shall not affect the validity of any other provision.

Article IX

This Ordinance shall take effect immediately upon its passage. Upon passage of this Warrant Article, Articles II and IV of an Ordinance for the protection and direction of the use of buildings, structures, and land in the Town of Kingston, New Hampshire, adopted at the Annual Town Meeting of March 8, 1955, and as amended are repealed.

Article 14. A motion was made and passed to authorize the Selectmen to sell tax deeded property at public auction.

Article 15. A motion was made and passed to authorize and empower the Planning Board to approve or disapprove, in its discretion, plats showing new streets

or the widening thereof, or parks, and upon adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Rockingham, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization, as provided in Sections 19-29 inclusive, Chapter 36 of the New Hampshire Revised Statutes Annotated, 1955.

Article 16. A motion was made and passed to accept the Auditor's report and the Town report as printed, with corrections.

Article 17. Sincere thanks and appreciation were expressed to the Planning Board for the tremendous amount of time and fine work in preparing the articles relative to the Town Ordinance.

It was announced that Maurice Aiken would replace George Harmon on the Planning Board.

The Moderator announced that the following were appointed to the Finance Committee:

Clarence W. Loud, Jr.
Charles C. Phillips, Jr.
Richard W. Senter
William H. Friend

The meeting adjourned at 10:45.

REPORT OF THE TRUSTEES OF TRUST FUNDS AND CEMETERIES

Kingston Plains Cemetery:

The dividing wall between the Old Center Cemetery and the South Section was removed and the grounds graded. Several old tombstones were straightened and some broken were repaired. All of the trees were pruned and three were removed.

Greenwood Cemetery:

All of the remaining plots in the front of the present cemetery were laid out and marked with cement brick, about 20 in all.

West Kingston Cemetery:

A large number of plots in the new section were laid out and marked with cement brick. The bushes and small trees in the back of the new section were cleared away and several small trees in the old part were removed. Some of the tombstones were straightened.

Happy Hollow Cemetery:

We repaired three broken tombstones and straightened several more.

Mill Stream Cemetery:

We received from the will of Miss Lizzie E. Bartlett a \$1,000.00 trust fund to take care of her 2 family plots and the income from the balance of her estate is left in trust with the Indian Head Bank of Nashua, the income of which can be used for the maintenance of the whole cemetery.

This year we regraded and seeded the whole north end of the cemetery.

We removed the old wood fence across the front; which will be replaced with a field stone wall, three feet high.

We are planning to build a well near the south driveway with a field stone platform 32" high.

We also hope to replace the old wire fences with a chain link fence and iron posts.

There will be available several new plots, to be laid out in the north end, which will be offered for sale. As these plots will have perpetual care the ywill be priced accordingly.

Miscellaneous:

We believe that every cemetery should have an appropriate name. All of our cemeteries are so named except for the one in West Kingston. We have decided to call it the "Pine Grove Cemetery" if there is no objection.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Kingston in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Kingston Town Hall in said Kingston on Tuesday, the 10th day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To choose Delegates to the Constitutional Convention.
4. To vote on the question "Shall sweepstake tickets be sold in the Town?"
5. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow sums of money in anticipation of the collection of taxes for the current year and to issue in the name of the Town negotiable notes, the aforesaid notes to be paid during the current year from taxes collected during the year.
6. To see if the Town will vote to raise and appropriate the sum of \$420.27 and the State will contribute

2,801.83 for the Class V Highways, under the provisions of the T. R. A.

7. To see if the Town will vote to participate in the Urban Planning Assistance Program and raise and appropriate a sum not to exceed 4,000.00 as the Town's share of the total cost.

8. To see if the Town will vote to authorize the Selectmen to sell to Richard P. Currier, Jr., and Doreen M. Currier, a parcel of land on Rockrimmon Road for \$300.00. This land is described as follows: Beginning at the Northeast corner of land of Richard P. Currier, Jr. and Doreen M. Currier, thence running Northerly 76 feet to a stake, thence running Westerly parallel 30 feet from center of Rockrimmon Road 173 feet to a stake, thence running Southerly 64½ feet to a stake at Northwest corner of said Currier land, thence Easterly along said Currier land 170 feet to point of beginning. This deed will be subject to any easement on described property and no buildings shall be located thereon.

9. To see if the Town will vote to permit the Tax Collector to accept payments on account of the annual property tax in multiples of not less than 10.00.

(This law was passed in 1963 but the Town must have the above article in the warrant for the regular town meeting proposing this procedure.)

10. To see if the Town will vote to appropriate the sum of \$5,641.00 to purchase a new truck, plow, and attachments. The old truck will be kept for plowing and other work. There will be a more detailed account given when this article is brought up.

11. To see if the Town will authorize the use of

Town property between the Masonic Bldg., and Sam Shore's egg building to the beach on Greenwood Lake for recreation and be designated "For Residents of the Town Only," and raise and appropriate the sum of \$200.00 to effect same.

12. To see if the Town will vote that the Chief of Police be elected for a three year tenure instead of one year as at present; this, if passed, to take effect at the election in 1965.

13. To see if the Town will vote to accept Alma Ave.

14. To see if the Town will vote to authorize the Selectmen to sell tax dedeed property at public auction.

15. To see if the Town will vote to accept the Auditor's Report and the Town Report as printed.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 17th day of February, in the year of our Lord nineteen hundred and sixty-four.

REPORT OF POLICE DEPARTMENT

In 1963, 41 automobile accidents were handled by the Kingston Police Department. One elderly person died as the result of one of these accidents.

Two new officers, Chandler West and Howard Malloy were elected in March by the voters of Kingston. The expense of outfitting these officers came from the 1963 budget. This and outstanding bills from the previous year depleted our budget to a large extent.

Eleven Special Officers purchased their own uniforms and equipment; one of these, Barbara Norris was appointed Police Matron.

Special Officer John Ratta was appointed Safety Officer for Bakie School. Arthur Reynolds was appointed a Special for Sanborn Seminary.

Police duty at the Kingston State Park was again handled by the Kingston Police Department at the expense of the State of New Hampshire. Four, five and sometimes more were needed each week. Very little trouble was encountered at the park this year.

Officers were out different holiday weekends on patrol. Warnings, summonses were issued as needed.

Thirty officers were on duty the night before the 4th of July doing traffic duty during the carnival. The other nights the number of officers varied according to the crowds. Carnival operation ran smoothly. This time was donated by all town police.

Private and town work was distributed as evenly as possible to all officers. Assignments were for dances, auctions, night patrol, sporting events, etc. Officers needed for new road construction was handled entirely by the Kingston Police Department. Salaries were met by the contractor. Each Sunday, police officers

were on duty at the churches in Kingston and their services were donated.

In the late summer period due to a rash of criminal activity in surrounding communities it was deemed necessary, after a meeting with the Selectmen, to institute a series of nightly patrols.

Complaints answered by the Kingston Police Department were as follows:

Indecent Exposure	1 (solved)
Stolen Cars	1 (recovered)
Breaking,	
Entering and Larceny	12 (6 solved)
Messages Delivered	24
Larceny	
(Contrsuction Equipment	1 (solved)

Suspicious Cars Checked Out	18
D. W. I.	1
Juvenile Delinquents	2
Shooting Accidents	1 (solved)
Confiscated Hand Guns	2
Drunkenness	1 (charges dropped)
Committed to State Hosp.	1
Warrants and Court	9

I wish to thank the members of the Rescue Squad and the Fire Department, Town Officers and residents of the town of Kingston for their cooperation and understanding. Special thanks are extended to the Regular Officers, Chandler West and Howard Malloy for their initiative and cooperation displayed in the performance of their duties; also thanks go to the appointed special officers for their assistance and cooperation on fulfilling their assignments.

Respectfully submitted,

Gentlemen:

We wish to thank you for the assistance given by your Police Department to the Town of Hampton over Labor Day weekend.

Your Officers Howard H. Jillson and dog Nicky and Cyrus Spennilla did a wonderful job, and your community should be proud of them.

We trust you will call us if you should need police assistance at any time.

Very truly yours,

ANNUAL REPORT OF FIRE DEPARTMENT

This year we had quite an increase in the number of calls we received, mainly due to the requests for the emergency wagon. Of a total of 137 calls, 87 were for the emergency wagon, 44 for fire calls in town and 7 out of town. This is an increase of 46 calls over the preceding year.

It should be obvious to all that with this constant increase in requests for our services that before too many years we will have to institute and maintain some sort of paid Fire Department. Through the years, members of the Fire Department have gladly volunteered their time, but the demands of the emergency wagon are getting to the point where it will soon need to be manned 24 hours a day.

During the dry spell this summer we were fortunate in not having any major fires. This can be attributed to the extreme caution the towns people maintained during that hazardous time.

Some of the activities we took part in this year were the Hampton Parade where we entered one of our trucks and the hand tub, and a firemens muster at the Brentwood Carnival at which the department won 1st prize in the hose laying contest. A demonstration of the emergency wagon was also given.

Air horns to replace the old siren have been purchased and will soon be mounted on the fire station.

A committee has been formed from the firemen's ass'n and the Ladies Aux. known as the Fund Raising Comm., to raise money towards purchasing a new truck when the time arises.

L

We again wish to thank all who have made donations

or contributed in any way to our department. Your continued support has been greatly appreciated.

May I remind you: the Fire or the Emergency number is Mi 2-5512.

Permits for outside fires must be obtained from the Fire Wardens.

REPORT OF PLANNING BOARD

The Kingston Planning Board for the year 1963-1964 consists of the following members:

Harold H. Jillson, Selectmen

J. Edward Stevens	Term Expires 1964
Richard D. Reid	Term Expires 1965
Donald A. White	Term Expires 1966
Maurice S. Aiken	Term Expires 1967

At the first meeting in March, the Board elected the following officers:

Richard D. Reid, Chairman

J. Edward Stevens, Treasurer

Donald A. White, Secretary

Eleven regular meetings, seven special meetings, and two public hearings were held during the year.

The Subcommittee on subdivision prepared land subdivision regulations which were presented at a public hearing held in December. After the public hearing the Board adopted these regulations which have been incorporated into the Town Ordinances.

At the request of the Planning Board, the Selectmen adopted a set of requirements for construction of roads and streets and appointed a Town Engineer.

In October the Board held a public hearing to acquaint

towns people and representatives from surrounding towns with the Haverhill NASA site proposal and its potential effect on bordering towns. Mr. George Harmon and Mr. Eugene Belisle of the Haverhill Committee presented the Program.

The Board feels that it can best fulfill its responsibilities of planning by presenting a Master Comprehensive Plan for the town. An article has been placed in the Town Warrant which, if adopted, would authorize the Board to hire a professional planner to assist them in the preparation of a master plan.

The Board wishes to extend their thanks to the officials and citizens of Kingston for their cooperation and support.

RICHARD D. REID,

Chairman

**REPORT OF THE SCHOOL CLERK FOR THE
KINGSTON SCHOOL DISTRICT**

March 9 and March 12, 1963

At a meeting of the Inhabitants of the School District of the Town of Kingston, qualified to vote in district affairs held in said Kingston in the Kingston Town Hall on March 9, 1963, starting at 8 p.m., the following business was transacted:

The meeting was called to order by the Moderator, Leonard F. Sanborn. Prayer was given by Rev. Robert C. Robb. The moderator asked all the new voters in town attending their first school meeting here to stand. He welcomed all of them. The Moderator also announced that each person had been checked in by the official Check List. He also mentioned a new book entitled "Town Meeting Time". The Moderator did not read the entire warrant as each had a copy of the Town Report with warrant printed in it.

Article 5. A motion was made and passed that the salaries of the School Board and School District Officers be set at \$480.00. Apportioned as follows: School Board Chairman — \$125.; School Board Clerk — \$125.; School Board Member — \$100.; School District Treasurer — \$100.; School District Clerk — \$10. and School District Moderator — \$20. It was announced that the Truant Officer should be deleted from this Article.

Article 6. The report of all Agents, Auditors, Committees and Officers were automatically placed on file. (There was no vote on Article.)

Article 8. A motion was made and passed that Article 10 be acted upon before Article 8 and 9.

After a lengthy discussion the Moderator announced that this article must be voted on by secret ballot by check list. The Moderator appointed the following tellers to assist: Roger Ouellette, Bernard Robie, Lawrence Stevens and Irving Johnson.

The motion was made and passed (Yes 154; No 39 — 193 total cast) that the district raise and appropriate a sum not to exceed \$115,800.00 for the purpose of constructing a seven room addition with a flat roof, and making necessary alterations in connection with this addition, and purchasing the necessary equipment for the Bakie School; and authorized the school board to execute any and all contracts including the selection of an architect or agreements necessary, proper and advisable in connection with the construction and equipping of this addition to the Bakie School.

And in order to provide such funds authorized the school board to issue and sell notes or bonds for all or any part of the sum so appropriated in the name of and on the credit of the district under and in accordance with the provisions of the Municipal Finance Act and any amendments relating thereto; and delegated the school board the authority to fix the time and place of payment of the principal amount of each note or bond, and to sell the notes or bonds, and take such other action with respect thereto as may be necessary or advisable.

A motion was made and passed then to pass over Articles 8 and 9 which related to new constructions.

Article 11. A motion was made and passed that the district vote with the other districts of this union according to R.S.A. 189:47 to provide for the services of an Intellectually Retarded Class for Union No. 14.

Article 12. A motion was made and passed that the district raise and appropriate \$2,050.00 as their share

of the Intellectually Retarded Class Expense. (It was later announced that unless 85% of the Union voted for this provision, money would not be used.)

Article 13. A motion was made and **not** passed that the district raise and appropriate a sum of money not to exceed \$1,500.00 for the purpose of engaging the services of a professional educational consultant, in conjunction with such surrounding districts, which may be interested to engage such consultant, and to defray the cost of reporting the findings of the above consultant.

Article 14. A motion was made and passed that the district raise and appropriate \$233,273.00 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

Article 15. A vote of thanks was given to the School Board and the Educational Needs Committee.

The Moderator mentioned that the law requires that an Article be put in the Warrant relative to medical inspection in schools re: 197:5.

The Moderator also pointed out that the School District does not have a Finance Committee. The Town has a Finance Committee to help draw up the budget and the Town will handle less than 20% of the money raised. It would seem, according to the Moderator, that the School District should either provide for its own

Finance Committee or use the same Finance Committee as the Town.

The meeting adjourned at 9:45 until March 12th at 10 a.m. for the purpose of Australian Balloting.

BETTIE C. OUELLETTE,
School Clerk

On Tuesday, March 12, 1963, there were 587 votes cast by Australian Ballot, beginning at 10 a.m. in the Kingston Town Hall and closing at 7 p.m. These ballots were counted by the School Board and School Clerk on Tuesday evening, and the following results were obtained:

Article 1. Leonard F. Sanborn was chosen Moderator for the coming year. (517 votes)

Article 2. Bettie C. Ouellette was chosen Clerk for the ensuing year. (533 votes)

Article 3. William H. Friend was chosen a Member of the School Board for the ensuing three years. (328 votes) (Alfred J. Alberts received 239 votes.)

Dwight L. Killam, Jr. was chosen a Member of the School Board for the ensuing year. (498 votes)

Article 4. Gertrude W. Semple was chosen Treasurer for the ensuing year. (516 votes)

Article 7. Irving Johnson (72 write-in votes) and Harry Snow (76 write-in votes) were chosen Auditors for the ensuing year.

The results of the balloting were read by the Moderator.

A motion was made and passed that the meeting be adjourned at 9:30 p.m.

BETTIE C. OUELLETTE,
School Clerk

The oaths of office were administered to the Moderator, Clerk, and two School Board members after the meeting. The oaths of office were administered to the Treasurer and Auditors later at my office.

August 26, 1963

At a Special Meeting of the Kingston School District, the following business was transacted:

The Moderator, Leonard F. Sanborn, called the meeting to order at 8:05 p.m. Prayer was given by Rev. Robert C. Robb. The Moderator read the Warrant, as follows:

To the Inhabitants of the School District in the Town of Kingston qualified to vote in District affairs:

You are hereby notified to meet at the Kingston Town Hall in said district on the 26th day of August 1963, at eight o'clock in the evening, to act upon the following subjects:

1. To see if the district will create a cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the Moderator.

2. To transact any other business which may legally come before the meeting.

Given under our hands at said Kingston this 9th day of August 1963.

1. A motion was made and passed that the School District vote to create a Cooperative Planning Committee — to be elected from the floor.

A motion was made and passed that nominations be received and then vote on that member for the first one on the committee, etc., until the three members are elected.

Richard W. Senter was nominated and duly elected as the first member of the committee.

George H. Harmon was nominated and duly elected as the second member of the committee.

The third member must be a School Board member; so David G. Conant and William H. Friend were both nominated. The results of a written ballot were Conant 16; Friend 13 and 1 void; total of 30 ballots cast.

The meeting adjourned at 8:45 p.m.

SUPERINTENDENT'S REPORT

Once again, it is a privilege for me to submit to you, the citizens of Kingston, my annual report. I shall, however, deviate from the usual elementary problem, especially as it pertains to the challenges presented by the most recent developments at Sanborn Seminary. Incidentally, a similar report is being presented to the other communities in our Union #14 who are also closely involved in this topic.

Throughout the years, considerable time and energy have been devoted by many Kingston individuals to the study of the high school situation and, on occasion, definite recommendations have been evolved. However, it has not been until recently that any semblance of a practical and sensible solution has appeared possible. A solution which, for the first time ever, would provide each Kingston adult an opportunity to exercise his constitutional right to determine the type of high school organization and program he most desires for his children.

On July 22, 1963 the Trustees of Sanborn Seminary issued a formal notification that Sanborn Seminary could no longer continue to operate as an approved public academy accommodating any and all area youth without requiring long-range commitments from sending school districts which would make possible a program of necessary expansion. To provide this assurance, the trustees requested that each town sign an exclusive

long-term contract or run the risk of having only a percentage of its children accepted in the future. Realizing the pitfalls of long-term contracts and the absurdity of limited acceptance, the trustees offered an additional proposal. It is this final proposal which can, at long last, afford you the once in a lifetime opportunity of owning and operating your own high school. A copy of this proposal follows:

“ALTERNATIVE I SALE OF FACILITIES TO A CO-
OPERATIVE SCHOOL DISTRICT

The Trustees of Sanborn Seminary will sell to a Co-operative School District all real property of Sanborn Seminary and building contents exclusive of Wiggin Hall as listed in attached Addendum for the sum of \$100,000 subject to the following conditions:

- a. The Cooperative School District shall consist of Kingston and four (4) or more other towns that have been sending students to Sanborn (Five (5) towns are required to be eligible for maximum State aid.)
- b. The “Sanborn” name shall be retained in some form.
- c. All existing contracts with Administration, Faculty, Clerical Staff and Custodial Personnel — which are binding for no longer than one year — should be honored if feasible.
- d. The sale includes only the real property and the building contents exclusive of Wiggin Hall and

specifically does not include the trust funds under the administration of the Trustees.

- e. Income from the trust funds — amounting currently to about \$6,500.00 annually — will be disbursed by the Trustees for the benefit of the district and in cooperation with the District School Board.
- f. Money received from the sale over and above outstanding indebtedness, which shall be retired, shall remain a part of the Trust Funds and be administered as specified in (e) above.
- g. All costs of sale shall be borne by Sanborn Seminary.
- h. All necessary legal clearance of the sale shall be obtained.
- i. Agreement of sale must be consummated on or before April 1, 1964.”

On August 26 and September 19, 1963, eight surrounding towns gathered as Special School District Meetings and elected three people from each town to serve on a Cooperative Planning Board, according to New Hampshire School Law R. S. A. 195, to study the possibility of forming a Cooperative School District utilizing the Sanborn Seminary facilities as was suggested in the above Alternative #1.

The first organizational meeting of this group was held at Bakie School in Kingston on September 13, 1963.

Since that time, the group has met twice a month, without fail, to receive and to take action upon the numerous sub-committee reports — all relating to an improved future high school situation.

You might now ask, "What role should I assume as a voter and citizen?"

First and foremost, you are obligated to become thoroughly familiar with the information being presented to you by your Co-op Planning Board and, more specifically, by your representative on this Board.

Secondly you must take action. In taking action, I earnestly urge you to vote to form a Cooperative School District, which would, once and for all, give you complete control of your entire school system. To summarize, I quote a few words written many years ago by an unknown historian as he made reference to public school ownership:

"The common school in the United States was in a new sense the people's school. It was an institution . . . controlled by themselves and in their own interests. It was responsive to their will and to their needs. Poor and inefficient as it was for many years after its origin, it was theirs, and theirs it has always remained."

I now want to commend you for providing the excellent seven-room addition and also for appropriating enough money last year to hire the additional staff members. We can truly say that once again you have an

excellent, uncrowded facility which is adequately staffed by fully certified teachers. All citizens of Kingston should feel rightly proud of themselves for this accomplishment; especially in a day when most schools are overcrowded and understaffed.

In closing I want to thank your most capable and devoted school board members who are making my second year as superintendent interesting and, I hope beneficial to Kingston.

FRANCIS C. WILSON,
Superintendent of Schools

REPORT OF THE PRINCIPAL

The past year has brought forth a most beneficial and exciting change for the students and staff of Daniel J. Bakie School. As difficult as it is sometimes to realize the advantages of small numbers in a classroom situation it is however, a proven fact that a better, well rounded education is gained.

As a result of the vote to build a seven room addition to D. J. Bakie School, we now have 16 classrooms housing 2 first grades, 2 second grades, 2 third grades, 2 fourth grades, 2 fifth grades. The sixth, seventh and eighth grades are departmentalized utilizing five classrooms for the five major subject areas — Math, Science, Social Studies, English and Reading with one empty classroom to be utilized at a later date.

It is important to realize at this time that the Daniel J. Bakie School population is growing in size at a rate of approximately 29 students per year on the average and will continue in the future. This is rapid growth and consequently we must meet the need of all students as effectively as possible. This fact must be realized along with the increasing demand for higher education and the stress placed upon the subject matter to be presented to the students who are preparing for higher learning and we must also adjust our curriculum to challenge the exceptional child as well.

In grades 1 - 5, there are two sections of each class. These sections are not grouped according to ability; however, each teacher does a certain amount of ability grouping within the subject areas.

The sections have been divided in an alphabetical alternate order so as to show no favorites among teach-

ers or students. At present, we believe that this arrangement improves the learning condition for every child.

In grades six, seven and eight, each homeroom consists of a few sixth, seventh and eighth grade students. That is to say for example, 10 sixth grades, 9 seventh graders and 8 eighth graders.

This has been divided as such to maintain a strict disciplinary program as well as to keep the homerooms to a minimum size.

Over and above the division of homerooms, we have an eighth grade divided into two sections according to ability and a seventh grade divided into two sections likewise. The sixth grade, because of size, remains as a single unit.

In grades 1 - 5, reading, writing and arithmetic are stressed as we feel these are the most important areas for preparation for the future. Science, Social Studies, English and Spelling are integrated into the program of studies.

In grades six, seven and eight, we become more specialized and broaden our curriculum to include as major subjects — Science, Mathematics, English, Reading and Social Studies.

Our reading program was expanded this year by continuing the Economy Reading Program through Grade 5 and adding Reading as one of the major subjects in the upper grades. Much progress has been made in this area and the improvement of reading among the students is greater than expected.

The Mathematics program, though traditional to a degree, is changing. The changes have come through the introduction of a few concepts of the Modern Approach to Mathematics. Our program is as strong as

can be expected at this point; however, through a gradual move to the Modern Approach to Mathematics any weaknesses will be eliminated and the strengths overwhelming.

The Science program at Bakie School is not stressed to any great degree in grades 1 - 4; however, as the students reach the fifth grade, this subject area becomes specialized. In the sixth, seventh and eighth grades, Science becomes very important and the introduction to many new areas is most beneficial as the student becomes faced with secondary education. Our program in science is a strong one with changes taking place from year to year to challenge all students and to stay abreast of the times. The Annual Science Fair speaks for our Science Department.

Social Studies is a very broad field. Though broad, it is most important in developing the minds and thinking of the children in the areas of our past history as well as correlating it with the present. The complete Social Studies program is based on past-present correlation.

English or language, as it is often called, is another broad area. Writing, literature and speech with the emphasis on grammar are covered by the English Department. The developmental skills from grade to grade are stressed and activities used in developing these skills are put forth to increase the opportunities for the children of Bakie School.

The Superintendent of Schools, School Board, Principal, Teachers, School Nurse, Clerk, Custodian, P.T.A. and Parents continue to work together to make D. J. Bakie School a pleasant, educational institution with high standards.

Respectfully submitted,

JOHN R. HODSDON,

Principal

REPORT OF THE SCHOOL NURSE 1963

To the Superintendent, School Board and Citizens of Kingston:

Each new school year brings with it new and exciting challenges — 1963 was no exception.

Because we have a principal and teachers who are interested in the whole well being of the child, emotional as well as physical, good health habits are taught in the classroom at each grade level.

The excellent Hot Lunch Program, with its well planned and nutritious meals, fitted in successfully with the classroom's program of good eating habits.

Child Health conferences were held in the spring with immunization shots and vaccinations available free of charge. Sabin Oral Polio vaccine was also given at this time and it is hoped that with frequent clinics we will be able to immunize at least 85% of the Kingston children against polio.

The P.T.A. again, very generously donated their time and money toward a successful Dental Clinic and here the classroom dental health program was integrated into the whole learning of the child.

Very little is being done at this time for the emotionally disturbed or the intellectually retarded child. After tests have been run to determine the needs of these children, many times our only solution is private treatment which is very expensive — sometimes far above the parents' means.

The annual examination of eyes and ears and the yearly patch test for tuberculosis was done.

Heights and weights were compared and recorded.

At this time I wish to thank the organizations and individuals in Kingston for their unselfish donations of time and money, without which we would be unable to carry out our program.

Respectfully submitted,

SHIRLEY TOWNSEND, R.N.
